“Striving to meet the needs of our families in every way”

Little Disciples Preschool is licensed by the Sarasota County Health Department and the Florida Department of Health and Rehabilitative Services. Our license number is 0011.

Little Disciples Preschool's Weekly Hours of Operation

In 2014 we increased our hours of service to 7:30am - 5:30pm, Monday-Friday. We continue to provide a morning class atmosphere, with your child in their classroom from 9am-12noon (8:45am-12:30pm VPK classes) daily. Early Care allows for an early start to your day and when morning classes end your child may continue their day in Extended Care which is open until 5:30pm.

Little Disciples Preschool's Philosophy

The word "Disciple" is used frequently in the New Testament. It means learner or follower, one who is accompanied by a teacher. We believe that all children are unique little people, *Little Disciples*, who should be allowed to develop at their own rate morally, physically, emotionally, socially, and intellectually. With these goals in mind, we strive to develop healthy, happy children who will contribute to society as they grow.

It is the goal of the staff of Little Disciples Preschool to provide your child with a positive learning experience designed to make their first adventures in a school setting memorable and enjoyable ones. To achieve this end, we will challenge your child's natural creativity and intellect. With this in mind, we will love and help your child to develop to their fullest potential.

Curriculum

Our curriculum is based on the Ages and Stages Questionnaire System (ASQ), the Florida School Readiness Standards as well as the High Scope, Kindness and Creative Curriculum. This compilation of curriculums means our focus is the total child. The environment provides a place for learning through interesting, stimulating, and challenging materials and activities. We will introduce each child to the joy of learning by helping them develop their self-esteem through a variety of positive daily experiences. Children will be exposed to phonetics, numbers and their concepts, colors, geometric shapes and exercises in social skills. We will also offer special units on the topics in which the children express interest. We strive to balance the formal learning experiences with outdoor play and free time to enable the children to develop their motor and social skills in an informal setting. Our ultimate goal is that each child feel happy, confident, and proud of all they achieve.

Drop-Off And Pick-Up Procedures

This is a school zone, please observe a 10 mph limit.

Park in the parking lot, turn off your vehicle and lock it. Do not leave unattended children in vehicles. Walk your child/children into the education building and to their classroom. Do not park in the circular driveway or in the handicapped spaces. Please contact the office if you need assistance at any time.

Pick-up time is 12:00pm/ 12:30pm VPK. Parents are to remain outside in the courtyard. The teachers will bring the students outside to their designated pick up site. After 12:10 pm, any remaining students will be placed in our Extended Care program

School Schedule (holidays & closings)

Little Disciples Preschool will closely operate on the same schedule as Sarasota County Public School system. (Note: Our Preschool year begins two weeks after the opening of the public school year.) *Little Disciples Preschool* will be closed when the Sarasota County Public Schools are closed for teacher work days. We will be closed for all major holidays (including Christmas recess and Spring break). When the public schools are closed due to "severe" weather, *Little Disciples Preschool* will be closed. Tune to SNN Channel 6 for all area school closings. Changes/revisions of the Sarasota County School Year Calendar may effect our calendar year.

A calendar for the school year will be provided in your student folder and in our school directory, printed in early October.

Staff

All our Staff members are fingerprinted and thoroughly screened through **Florida Dept. of Children & Families**. All Lead Teachers are required to hold a degree in the field of Education. All staff members must take a minimum of twelve credit hours annually in courses relating to early childhood development. Our staff are members of the Sarasota Chapter FLAEYC and the National Association for the Education of Young Children. Staff members are also certified in Pediatric CPR, Heartsaver CPR, and First Aid.

Discipline Policy

The ultimate goal is for each child to achieve self-discipline. Ideally, the child who is involved in meaningful work will not show any behavioral problems. The words “discipline and “teach” are related. Teaching children what they are ready to learn at each stage of development will result in self-disciplined individuals.

We first talk to the child about the behavior and explain how they are disturbing the rest of the class. We point out that they are not being helpful to themselves or others. Next, we will meet with the parents to establish methods of positive reinforcement. Persistent behavioral concerns will result in a parent conference with the Preschool Director. In the event of continued adverse behavior, *Little Disciples Preschool* reserves the right to deny further enrollment.

Requirements For Admittance

Our school is available to children ages infants to five years of age. While we are hopeful that children have completed potty-training and are able to take care of their own bathroom needs, it is not a requirement for entrance below the age of 3. We will work together to achieve potty-trained status. Each child must have an enrollment form with emergency information on file. A copy of your child’s birth certificate must also be submitted upon registration. Please be sure to advise the school regarding any and ALL allergies, as well as address, phone, pick-up people, doctor changes.... throughout the year.

Forms Required By Florida Dept. of Health:

Two **Florida Dept. of Health** forms will be required upon enrollment: a health report and an immunization form showing current and up-to-date immunizations. It is especially important to note any known allergies. *Little Disciples Preschool* requires that all students enrolled be immunized. Absolutely NO exceptions or exemptions allowed.

Absence

If your child is ill and/or will not be in school, please call the office. In order for your child to return to the classroom, they must be free of fever for 24 hours. Notice will be given to all parents concerning any outbreak of childhood or Communicable diseases here at school.

Snacks

A snack basket will be sent home with your child the day before it is due. This is done on a rotating basis. Please provide a healthy snack for the number of children in your child's class. For health and safety reasons, we must insist that snack foods arrive in **original**, and **unopened** packages. Water will be provided as our snack-time refreshment. A snack calendar will be sent home as a reminder of the day(s) your child will be responsible for snack throughout the month. Food allergies (when applicable) are posted outside classrooms and will never prevent a child from participating in our program.

Written Permission

A permission slip is required for the following:

1. For a child to leave school with someone other than their parent.
2. Dispensing of any medication to a child by staff member.
3. Evaluative screenings by outside sources.
4. Participating in special meal days in our Extended Care Program.

Field Trips

At this time, Little Disciples Preschool does not participate in off-campus field trips. Instead, we bring the field trip to the children through various speakers and presenters and activities each year.

Dress Code

Children should wear play clothes that are comfortable and will not restrict them from participation in any activities. We require all children to wear socks in sneakers/tennis shoes daily. One-piece outfits should not be worn. Flip-flops, sandals, and cowboy boots are not allowed.

Please dress children for actual weather conditions. We will go outside everyday (weather permitting) and are required to have children wear jackets in cooler temperatures. Dress your child appropriately. Please label all jackets/sweaters so that when the end of day temperature no longer requires it, we are still able to find your child's jacket.

Accidents

Emergency medical treatment will be administered by our staff or by a paramedic. You will be contacted if your child has a serious accident while in school. If we cannot reach you, we will call the person listed on the enrollment form. A written signed report will be on file in the office for minor accidents and a copy will be sent home to the parents.

Communication

Our main line of communication with parents is through daily interaction at drop-off and again at pick-up, as well as through the use of notes and newsletters, office letters and teacher letters. All messages will be sent home with your child. The Preschool Office sends home letters bi-monthly to keep you informed of all preschool activities. Beneva Christian Church (Disciples of Christ) also provides a monthly Good News with an informational *Little Disciples Preschool* article. Visit their website at: lifeatbeneva.org. A copy of our Grievance Procedures is included in the Student Folder provided at Open House (or upon enrollment). It is our hope that the lines of communication remain open, positive and meaningful for all parties concerned.

Screenings And Evaluations

Vision and hearing are major factors in a child's development. They can affect school achievement, personality, and adjustments to life. Vision and hearing screening tests are given to all children ages 3.5 and older and you will receive the results of these tests. We also participate in the ASQ assessment program and you and your child will have the opportunity to conduct your own assessment at home. We hope everyone will choose to participate. During the year, your child's teacher will formally assess each student's progress. You will receive copies of these evaluations mid-year during Parent/Teacher conferences and again at the end of the school year. Parents are always welcome to call the preschool to schedule a conference with a staff member anytime there are concerns or questions.

Chapel Time

"Chapel Moments" will be held on a regular basis in the Sanctuary by members of Beneva Christian Church. Parents/siblings always welcome.

Musical Moments

Music can be found in the classrooms daily. "Musical Moments" are presented on a regular basis as an opportunity to further explore and experience the wonders of music.

Parent Visits

Parents are always welcome! If you wish to visit in the room, please notify the Preschool Director one day in advance. This procedure prevents too many visitors from being in the classroom at one time. Please leave other children at home, as they will distract the children in the class.

Volunteer Program

A volunteer sign-up sheet is sent out at the beginning of the year. Please note ways in which you can be available and/or of assistance. This information will be given to your child's teacher for future reference.

Additionally, we are very proud of our **Parent Volunteer** program. During the first month of school, a **Parent Volunteer** packet will be sent home. We encourage parents to consider being a valuable part of our school year.

Parents are the young child's first and most important teacher. This early learning from parents sets the pace for the child's learning throughout life. Your involvement in the school program provides an opportunity for you to 1. Observe your child in social interactions with peers; 2. Learn ways of handling children's behavior; and 3. Reinforce school experiences at home. You are helping your child and yourself as you improve your parenting skills. We hope you will choose to become involved in some way.

Enrichment Program

At the beginning of each year, we send out a "wish list" for items to enhance our school day. Those making donations are placed on our Honor Roll and are recognized at Christmas and Graduation.

Resource Persons

This is a specific opportunity for a parent to present their special talents, interests, and skills. This would involve presenting a 15-20 minute program in the classroom. Parents could also make arrangements to bring in a resource person. Possible topics might include: crafts, hobbies, skills and talents (music, art, drama, etc...), professions, caring for a baby, storytelling (reading), yarn spinning, puppets, sports and outdoor activities, travel, different cultures, and other programs of interest suitable for preschool children.

Please contact the Preschool Director if you, or someone you know, might be interested.

Calendars

Calendars are sent home each month to inform parents of the classroom curriculum and special activities each month.

Fire Drills

Fire drills are required by law and are an important safety precaution. They will be held on a regular basis.

Special Programs

During the year, we will have several programs where the children will perform for an audience. We will also provide parent/teacher meetings and family functions throughout the year. Additional Special Programs may include speakers, outside instructors with special talents and our own staff members sharing their gifts and talents.

Special Events

During the year, some of the holiday celebrations and special events may require additional help. Please make other arrangements for younger siblings. We look forward to including everyone throughout the course of the year.

Personal Belongings

Please encourage your child to keep treasured belongings at home. We would like for them to work with the provided materials when at school because their use is related to our planned learning activities. Show and Share privileges will be decided by each teacher individually.

Summer Camp

We are open 7:30am-5:30pm throughout the summer in Camp mode. Ages are blended and camps are run in the Learning Center. We will choose one theme per week to enjoy. Camp hours only are from 9am-1pm, 3 or 5 days per week or: extend your fun by staying all day. Camp is posted and Registration begins each April for current students and siblings (ages 2-10). Watch for this flyer to come out every April and reserve your fun!

Notes

Healthy Sarasota County Child Care Sites

In May 2012, more than twenty Sarasota County child care centers participated in the Healthy Sarasota County Child Care Training.

These centers took the necessary steps to become recognized as

Healthy Sarasota County Child Care sites. Little Disciples Preschool received certification at that time and we continue achieving re-certification every three years.
